Mattie Vickers, assisted by Monroe and Hart, are to present an amusing farce, "Masquerading." Other entertainers of note are: Juna Salmos, contortionist, known as the "Golden Mephisto"; Julian Ross, Hebrew comedian and singer; George W. Day, monologue comedian and singer; McShane and Albrow, acrobatic comedians; Louise Gunning, a noted Scotch vocalist; G. O. Hornberger, pianist; Claude Terrio, comic and singer; and H. V. Fitzgerald, a dancer artist; the bill will give an unusually interesting list of motion pictures. **Burns-Read.**  
The following item taken from the Mansfield News of July 7, will be of interest to the many friends of Frank Burns formerly of this town:  
—Quite a pretty, unostentatious wedding occurred on Thursday afternoon, July 6, at the residence of the officiating clergyman, Rev. Robert Clark, 114 Mulberry street, Pawtucket, R. I. The contracting parties were Mr. J. Frank Burns, of Mansfield, and Miss Mabel Johnson, of Pawtucket. The bride was the daughter of Mr. J. E. Burns, of Pawtucket, and the groom was the son of Mr. J. E. Burns, of Pawtucket. The wedding was a very quiet affair, and the only guests were the immediate families of the bride and groom. The ceremony was performed by Rev. Robert Clark, and the couple were married at 2:30 p. m.  
**Narrow Escape From Drowning.**  
Thomas Duthie, a lad of about eleven years of age, had a narrow escape from drowning, while at play at Jackson's yard, yesterday afternoon. Young Duthie, in company with a number of other boys, ranging in age from ten to fifteen years, was playing about the wharf and doing "stumps." Tommie thought it would be fun to jump off the wharf into the water. He had never learned the science of swimming. Accordingly, before his companions were fully aware of his intentions, he had jumped overboard, and immediately sank from the view of his frightened mates. One of the boys, however, showed more presence of mind than the others, and as Tommie was going down for the last time, he sprang into the water, and succeeded in grasping the boy and brought him to the wharf, where he was cared for by one of the boys. Young Peterson was a lad of fourteen years of age, and his act is one which shows much courage and heroism on his part.

**Sad Accident.**  
The progress of a fire at the Central House, Braintree, Thursday morning, Patrick Bentley of this town was severely burned. A few weeks ago Mr. Bentley accepted a position as engineer at the shoe factory of W. H. Bates of Rockland, and on Sunday morning he was on duty at the Central House. It seems that he made his escape from the building soon after the fire was discovered, but while watching the fire from the street, happened to think of a friend whom he thought was asleep in the building. He went back to the building, and with great difficulty succeeded in reaching his friend's room, but found nobody there. Before he could reach his steps he was overcome by the smoke and fell to the ground. The fire department, who immediately started for the room whence came the sound, when discovered, Mr. Bentley was unconscious; he was taken to a drug store in the vicinity and medical attention was given. It was found that he was badly burned on the head, face, neck, hands and wrists. It is feared that the burns in the face passages will prove serious.  
**Charles F. Hodgdon.**  
Charles F. Hodgdon, an old and highly-respected citizen of this town, passed away at his home on Commercial street, Saturday, after an illness of several weeks. Deceased was 74 years, 9 months and 1 day of age and leaves a widow and several grown-up children. The funeral services were held at his late residence at 2 o'clock Monday afternoon.  
**Fifth Birthday.**  
Master Donald McPhail entertained a number of his young friends at his home on Richmond street, Thursday afternoon, in honor of his fifth birthday. Master Donald has resided in this town only a few weeks, but has gained much popularity among his little playmates, and the afternoon was most enjoyably passed with games and other forms of amusement.

**Lawn Party.**  
A lawn party under the auspices of the Y. P. S. C. E. of the Congregational Church was held on the spacious grounds of Capt. Colby last Wednesday evening. The house was trimmed with red, white and blue bunting, while many yards of the same were festooned among the trees on the lawn. Dozens of Japanese lanterns, suspended around and along both sides of the driveway and scattered about the grounds, helped to dispel the darkness and the scene was illuminated. The lawn was open to the guests. During the party part of the evening a lady-gurdy, which had been engaged for the occasion, furnished music which somewhat entertained the guests. Ice cream was for sale during the evening. At an early hour rain compelled some to seek their homes while the remainder of the party retired to the shelter of the house where a very pleasant time was spent in playing "clumps" and other games. A large number of young people were present, including the former pastor of the church, Rev. Daniel Evans. The affair was under the management of the Social committee of the Christian Church, of which Mrs. C. L. Bicknell is chairman.

**Epworth League Convention.**  
The seventh annual convention of the Epworth League was held at the East Weymouth Society, Friday evening, July 7. The convention opened at 10:00 o'clock with the Sacrament of the Lord's Supper, conducted by Rev. E. C. Bass, Presiding Elder of the district. After the welcome of the delegates by Rev. A. W. Kingsley, pastor of the M. E. Church, there was a half hour's business session. This was followed by an address on the subject, "Look Up," by Rev. P. M. Vincent of New Bedford. At 8:15 o'clock a collection was served in the vestry of the M. E. Church. The afternoon session opened at 2:00 o'clock with "Devotions," followed by the transaction of a few matters of business, including the election of officers. **Obituary—Mrs. Hannah M. Curtis.**  
Mrs. Hannah M. Curtis, widow of Freeman Curtis, passed away suddenly at her home on Pleasant street last Monday night of heart failure after an illness of less than three hours. She was, with the exception of a slight headache, in her usual health up to about 1 o'clock when she was taken sick. A physician was called about 6 o'clock, but she was beyond all earthly help and she passed away at about 6:45. Mrs. Curtis was born in Hingham in March, 1829, and was the daughter of Daniel and Sally Coudell. She was united in marriage in 1847 to Freeman Curtis and the fruits of their union were three children, one of whom, Charles S., survives her. She was a woman whom to know was to love, and she will be greatly missed by a large circle of relatives and friends. The funeral services were held at her late home Thursday afternoon at 2 o'clock. Rev. L. W. Attwood of the Universalist Church officiating. Burial was in the family lot at the Highland cemetery. The bearers were Messrs. Allen B. Vining, Seth C. Vining, Wm. Frank Tribou and Henry Pratt.

**IS IT RIGHT**  
For an Editor to Recommend Patent Medicines.  
From Sylvan Valley News, Brevard, N. C.  
It may be a question whether the editor of a newspaper has the right to publicly recommend any of the various proprietary medicines which do the market, yet as a preventive of suffering we feel it a duty to say a good word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this medicine in our family for twenty years and have always found it reliable. In many cases a dose of this remedy would save hours of suffering while a physician is awaited. We do not believe in depending implicitly on any medicine for a cure, but we do believe that if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the inception of an attack much suffering might be avoided and in many cases the presence of a physician would not be required. At least this has been our experience during the past twenty years. For sale by J. E. Connell, Weymouth. L. T. Brown, South Weymouth. Geo. M. Hoyt, East Weymouth. F. A. Smith, Braintree. W. A. **IVORY SOAP PASTE.**  
In fifteen minutes, with only a cake of Ivory Soap and water, you can make a better cleansing paste than you can buy.  
Ivory Soap Paste will take spots from clothing; and will clean carpets, rugs, lid gloves, slippers, patent, enamel, russet leather and canvas shoes, leather belts, painted wood-work and furniture. The special value of Ivory Soap in this form arises from the fact that it can be used with a damp sponge or cloth to cleanse many articles that cannot be washed because they will not stand the free application of water.  
DIRECTIONS FOR MAKING—To one pint of boiling water add one one-half ounces (one-quarter of the small size cake) of Ivory Soap cut into shavings, boil five minutes after the soap is thoroughly dissolved. Remove from the fire and cool in convenient dishes (not tin). It will keep well in an airtight glass jar. Copyright 1905 by THE PROCTER & GAMBLE CO. CINCINNATI

**WHERE THE BREEZES BLOW.**  
Indications Point to a Big Season at the Eastern Seashore Resorts.  
There is no "seashore scare" this year, unless on the part of those who have reason to fear that they will not have an opportunity of enjoying ocean breezes, in common with the thousands who are already flocking toward the New England beaches.  
This year, the famous "sears," like the Spanish fleet itself, is no more, and the problem will soon be how to accommodate all that are desirous of spending a few weeks, or days, in the soothing and restful company of old Neptune.  
As usual, the great trend of seashore travel is toward the bracing and beautiful region along the shores of the Gulf of Maine, reached by way of the Boston & Maine railroad. The movement has already begun, as well it might, considering the early advent of the hot term, and it begins to look like one of the biggest seasons the seashore resorts of Massachusetts, New Hampshire and Maine have ever experienced.  
It would be difficult to add anything to what has already been said about the super attractions which these cool and wind-kissed resorts have for the overworked and invalid. Those who would like to read up on this timely and enticing topic are advised to send a cent stamp to the General Passenger Department of the Boston & Maine railroad, Boston, for a copy of the illustrated booklet, "All Along Shore," which contains a condensed description of the whole region.
